Contacting the School

If you have a query or a specific concern, you can contact the school in a number of ways.

- Call the Main Reception on **01482 342229**
- Contact your child's Pastoral Year Team using their email - year7pastoral@kelvinhall.net, year8pastoral@kelvinhall.net, year9pastoral@kelvinhall.net, year10pastoral@kelvinhall.net, year11pastoral@kelvinhall.net
- Email a query to info@kelvinhall.net

If you have contacted the school and have not been able to speak with the correct person or if you feel that the school has not dealt with your query or concerns properly, you can contact a member of the Senior Leadership Team by emailing info@kelvinhall.net. This email address is checked every day and any concerns will be passed to Mr Leng, the Headteacher, or to the most appropriate member of the Senior Leadership Team.

Confiscation of mobile phones

We still believe that students benefit from a complete break from the pressures that mobile devices can bring when they are in school, including the pressures of social media and the distractions they bring. **We recommend that students do not bring their mobile devices to school.** When referring to mobile devices, this includes: mobile phones, audio/music devices, video devices, etc.

We appreciate that some students have a long journey to and from school and that parents and carers may feel more reassured if they can contact their child during this journey. For this reason, students are permitted to bring a mobile device into school, as long as it is switched off (not just on silent mode) and in their bag out of sight from the time they enter the school grounds until they leave the school grounds at the end of the day. **Parents/carers should not contact their children via mobile phone as this breaches our mobile phone use rule in school. If parents need to contact their child, they can do so via reception or the pastoral team.**

Students who do not comply with these expectations will have their devices confiscated until the end of the day. The device will be securely locked away. If this reoccurs, then parents/carers will be required to come and collect the mobile phone from school, and further breaches will result in the student no longer being allowed to bring their phone into school. If students do not comply, this will result in escalating sanctions.

Hull Parent Carer Forum

Hull Parent Carer Forum would like to extend an invitation to parents and carers of young people with SEND to a selection of events. These are put in place to offer support and advice. Upcoming events are below:

Change to start of day processes, TEAL Line

From Monday, there will be a change to the start of the school day arrangements for students.

Students will be greeted at the doors of the playground, rather than at the TEAL Line.

We still expect students to arrive in the correct uniform and with all the necessary equipment for their day.

If required, students will still be able to borrow uniform items and equipment from our Uniform Store to ensure they meet our expectations.

Inter-Year Group Collection Challenge

Thanks to a collective effort, Kelvin students have **collected thousands of plastic bottle lids**, which will be recycled and transformed into something brand new!

Now, the Geography Department, in partnership with the school's Eco-Committee, are launching an inter-year group competition: collect as many plastic bottle lids as you can! The winning year group will receive a fantastic reward during the final week of term!

Year 11 Leavers' Assembly

On Thursday, 12th June, Year 11 will have their Leavers Assembly. This is always a special assembly for our Year 11 students, reviewing their time at Kelvin Hall, sharing memories and sentiment before they leave us for good a few days later. All Year 11 students must be in school on this date to be a part of this special occasion.

All Year 11 parents will receive a letter next week outlining arrangements for several key events and dates, as well as details for GCSE results day. Please read this letter carefully, as it will explain the arrangements for your child's last day in school, including the Shirt Signing Celebration event and other key elements of their final days with us.
