Dear Parents and Carers,

On Friday, 27th January and Tuesday, 31st January, students will be taking part in an important Drop-Down Day event in school.

On these days, students in Year 11 will be working on their Choices subjects. This will be a fantastic opportunity for students to work on their examination preparation and improve their coursework. In the past, these days have allowed students to make big improvements to their work and really develop their knowledge and skills for their exams. A day of uninterrupted time focussing on these subjects could make a huge difference to their grades.

The programme for these days is shown below:

| Friday 27th January |              |              |
|---------------------|--------------|--------------|
| Year Group          | Subject (AM) | Subject (PM) |
| Year 11             | Choice 2     | Choice 2     |

Choice 2 is the Choices subject studied on Wednesday Period 1 and 2.

| Tuesday 31st January |              |              |
|----------------------|--------------|--------------|
| Year Group           | Subject (AM) | Subject (PM) |
| Year 11              | Choice 3     | Choice 3     |

Choice 3 is the Choices subject studied on Thursday Period 4 and P 5.

As always, attendance to school is essential in supporting students in their preparations for their exams. It is crucial students are in school on these dates to avoid missing significant time in these subject areas; please support your child in ensuring they are in school.

If you have any questions regarding these Drop Down Days, please contact Mrs Piercy at [piercylauren@thrivetrust.uk](mailto:piercylauren@thrivetrust.uk).

Yours sincerely,

Mrs Piercy  
 Deputy Headteacher  
 Kelvin Hall School
