RSE Drop-Down Day, Friday 1st July 2022

Dear Parent/Carer,

I would like to inform you that your child will be taking part in a drop-down day on Friday 1st July 2022 as part of our delivery of the DfE Relationships and Sex Education (RSE) Statutory Curriculum 2019 that became compulsory to teach in all secondary schools from June 2021.

The aim of this day is to give students the information they need to help them develop healthy, nurturing relationships of all kinds and develop a deeper understanding of issues surrounding relationships and sexual health. This will help students understand the positive effects that good relationships have on their mental well-being, identify when relationships are not right and understand how such situations can be managed. Knowledge about sexual health remains important to ensure that young people are equipped to make safe, informed and healthy choices as they progress through adult life. This will be delivered in a non-judgemental, factual way and allow scope for students to ask questions in a safe and positive learning environment.

The day will comprise of six sessions:

- Healthy and unhealthy relationships
- Consent
- Contraception
- STIs
- Pornography
- Sending 'nudes'

If you require any further information or do not want your child to attend these sessions, please contact the school via the school PSHE email address: pshe@kelvinhall.net by Tuesday 28th June 2022.

Yours sincerely,

Mrs Conway
Subject Leader of PSHE, SMSC and RE
