Y11 - Mock MFL GCSE Speaking Exams

Mock GCSE Speaking exams are fast approaching for our Y11 French and Spanish students, they start on Monday 16th October. Here are some top tips for them to help with revision.

For the chosen 'presentation' topic:

- Make flashcards (if not already done) with one sentence per card and chunk your learning into small sections.
- Learn it one sentence at a time. Write out the sentence multiple times and read it aloud several times until it sticks, then move on to the next one.
- If your teacher has made an audio recording to help with pronunciation, listen to the recording frequently and mimic the accent. Pause it regularly, can you remember the next bit?
- Practise reading it aloud, to anyone who will listen, or even to yourself.
- If there's a tricky bit that just refuses to stick, remove it, as long as the remaining sentence still makes sense.

For the Key Questions:

- Read over the answers you've prepared, and try to remember which key verbs and tenses you plan to use in each answer.
- Remember to add more detail and extend answers with and, also, but, because...
- Make sure your knowledge of tenses is strong. Use your revision flashcards.

Remember that little and often works best when trying to learn a foreign language. If your child has not yet started revising, encourage them to start now. There is too much content for them to cram the night before.
