## The Teal Line - Start of Day Routine

Since the beginning of term we have been welcoming students into school by greeting them on 'The Teal Line' and making sure they are in the correct uniform, have their planners and are ready to start the day. Students not ready to start the day have been asked to go to the Uniform Store so that we can loan them what they need.

From this half-term, we have also started to check that students have a pen and a pencil for their lessons. From Monday 9th November, if students do not have this equipment they will be asked to go to the Uniform Store for it to be loaned to them.

Thank you for supporting your child in arriving to school on time and with everything they need to have a good start to the day.
