Year 10 Work Experience Feedback - Celebration

During work experience, a group of students on a business project were asked to develop a name for a self-harm and suicide prevention service. The students suggested the name 'Blossom' and gave a presentation outlining why they had chosen the name, also creating possible logos.

Jo Kent, the Project Lead, came into school on Friday to thank the students and let them know that their involvement has helped Jo and her team to secure National Lottery Funding to launch 'Blossom' a self-harm and suicide prevention service in our area.

The students have been invited to be involved in the final logo design and the pilot training session for young ambassadors, giving their feedback and helping to tailor the training for young people. The students will also be invited to the launch in Princes Quay and offered volunteer opportunities with the service.

Interview Skills for Students (Years 10 and 11)

Please find below a link to free webinars aimed at students aged 15-17 and will focus on interview skills delivered by In2action. Their latest webinar ([Be on a 10: Interview Skills](#)) is designed to help students boss that interview with confidence-boosting tips and tricks as well as a chance to practice interview style questions in a fun challenge.

This is available on a number of dates at 4pm, the delivery will be the same during all of them so students only need to attend one.

Violence Prevention & Anti-Bullying Workshop:

Kelvin Hall are supporting a **local initiative set up by Humberside Police** to support and increase awareness in reducing violence of all types. This week, students will do work in Focus Groups and create posters that will be entered into a competition to win £50 vouchers.

If students wish to enter posters outside of school, they can submit them to suddabyc@thrivetrust.uk.

Furthermore, on Tuesday 23rd April, the school's Anti-Bullying Ambassadors are meeting to continue the training, and the great work they have started this year. The day involves **online CPD, creating notice boards and other resources around school, preparing for assemblies and work on offering more support to the students at Kelvin Hall School**. Students are to meet in the Dining hall at the start of Period 1.

Year 11 PET-Xi

From 29th April to May 1st, PET-Xi are running Maths intervention with a number of Year 11 students in school. If your child is involved, you will have already received an email, and your child will have been told in school.

Attending these sessions daily and on time is essential in getting crucial support in key topic areas before the upcoming Maths exams. If your child is involved in the programme, and you have any questions, please email andrewsj@thrivetrust.uk.

Extracurricular Celebration

We are very excited to share some amazing sporting news:

Freddie S. has had 2 incredible achievements in recent days.

First, he competed and won the Bronze in Kumite (Fighting) in the national Open Championship, and is now **#3 in the country** for his age range.

Further to this already brilliant success, Freddie has been **invited to join the full England Karate Squad** for the next 3 months. Freddie will be the **youngest member** of the squad! This is the equivalent of making the squad for the England football team!

This is a massive achievement, and we have no doubts that this formidable opportunity will continue to boost Freddie towards a bright future!

Joshua B. will be **representing England in the U14s Ice Hockey** in Turku this weekend! Really well done, Josh, and everyone at Kelvin Hall wishes you the best of luck in the competition - we're rooting for you!

Extracurricular Celebration

We are very excited to share some amazing sporting news:

In a gripping encounter for the Humberside Cup Final, Kelvin Hall emerged **triumphant** in a tense penalty shootout after a hard-fought 1-1 draw against South Hunsley.

Kelvin Hall seized the initiative in the first half, with Wagdi M breaking the deadlock with a well-taken goal, giving his side a crucial lead. Despite South Hunsley's attempts to respond, **Kelvin's defence held firm**, showcasing exceptional solidity at the back.

The second half saw South Hunsley rally, mounting sustained pressure in search of an equaliser. However, **Kelvin's defensive resilience proved insurmountable**, with Max S and Ronson W leading by example to repel their opponents' advances.

The tension soared as the match reached its climax, culminating in a dramatic penalty shootout to determine the winner. In a **heart-stopping finale**, Fynn D emerged as the hero for Kelvin Hall, making a decisive save in sudden death to secure the victory and lift the coveted Humberside Cup.

The standout performers of the match were Sam W and Fynn D. Sam W's tireless efforts in defence and attack provided the backbone of Kelvin Hall's performance, while Fynn D's crucial saves ensured his team's success in the penalty shootout.

Kelvin's triumph in the Humberside Cup Final was a testament to their resilience and determination, overcoming a spirited challenge from South Hunsley to emerge as worthy champions.

Staying Safeguarding Savvy

This week, we would like to share the attached resource on energy drinks, and the associated risks with drinking energy drinks.

This cheat sheet highlights the main adverse effects that energy drinks have on young people, and advice for parents and educators on how to support children.
