This week, students in Year 7 to Year 10 have received a sticker to put in their planners. This sticker contains a QR code to a website "[Food & Solutions](#)", created by Hull's Young Mayor and the Youth Reps.

"Food & Solutions" contains a wealth of information regarding affordable recipes, as well as facts and tips about nutrition. It also shows the details of local organisations that provide quality food support, such as food banks.

The aim of "Food & Solutions" is to equip young people with information they can share with their families and friends.

Safeguarding Savvy

This week, we would like to share the [following resource](#) on Marvel Rivals. Marvel Rivals is a recent online shooter game, using characters from the Marvel comics superhero universe. Although it presents as a colourful and dynamic game, it is important that parents and carers are aware of the potential risks that are associated with online gaming, such as in-game chat, in-game purchases, and more.
