post-16 routes: the academic pathway, the vocational pathway, work with training (including apprenticeships and traineeships):

- how to apply;
- how to research your options;
- how to research the labour market - "Where are the jobs?";
- Open Event details for colleges and apprenticeship training providers.

This booklet, and more information, is also available on our school website. If you have any queries regarding post-16 choices, please contact the Careers Team on 01482 342229.
