PARENT VOICE SURVEY

This year we have been completing Parent Voice surveys during our Progress Evenings. We would also like to get a snapshot from all of our parents and carers.

Please click the link below to complete a Parent Voice Survey and share your views with us. It should take no more than a couple of minutes to complete.

Your responses to the questions will give us invaluable information that we will use to improve things in school for your child.

There is also space for you to tell us about things you feel we do well, and things we could do better.

You may wish to remain anonymous, that's fine, however it may help us to follow up on any comments made if you give your name at the end of the survey.
