School Notices

Reminder of Uniform and Expectations

You can find information on our uniform on our school [website](#). If you are struggling to provide uniform items, please contact your child's year leader and we will be happy to support you with this. A reminder of some expectations is shared below.

Jewellery - One ring, one pair of small stud earrings, and one discreet bracelet are allowed. No necklaces are allowed in school. No facial piercings of any kind are allowed under any circumstances.

Hairstyles, Makeup and Nails - We allow natural makeup and accept a wide range of hairstyles. All we ask is that a student's hair is smart, and of a single natural colour. Nails must be of a short, safe length. The school does not allow false nails or any other decorative embellishments.

Equipment - All students should bring a pen, pencil, ruler and school planner to school with them. If students have lost their school planner, they will be required to purchase a new one on the [ParentPay Shop](#).

Energy drinks and chewing gum are not allowed in school. The rule on chewing gum is now even more important, as this can be dangerous to Lizzie, our school wellbeing dog.

Equipment and Uniforms - Sanctions

It is important students are prepared for learning and attend school with all of the relevant equipment. We will continue to provide equipment and uniform for students in the morning from our "Uniform Store". This gives all students the opportunity to correct their uniforms, get the equipment they need for learning, and start their day positively.

Students should replace their planners and lanyards if lost or damaged. We have a small number of students who are using the Uniform Store daily to borrow a lanyard or temporary planner. As such, students will now receive a detention if they visit the Uniform Store three times for a lanyard or planner. If you are having any problems providing uniform or equipment for your child, please contact their year team and we will be able to help.

PET-Xi Maths

Next week, PET-Xi are running Maths intervention with a number of Year 11 students in school. If your child is involved, you will have already received an email and text, and your child will have been told in school.

Attending these sessions daily is essential in getting crucial support in key topic areas before the upcoming Maths exams. If your child is involved in the programme, and you have any questions, please email andrewsj@thrivetrust.uk.
