Uniform Standards and Expectations

Details of our school uniform can be found on our website, a link to the page is below.

<https://www.kelvinhall.net/uniform>

We also have lots of available uniforms on our 'new to you' rail and we are always happy to support parents and carers who may be struggling to provide uniforms for their children, please just get in touch.

Trousers shorts, and skirts - Trousers must be black, plain, full-length, and **must not be in a stretchy fabric**. Jeggings, leggings, chinos, and jeans are not allowed. Shorts and skirts must be tailored, black, and knee-length. Skirts may not be tight or in a stretchy material.

Jewellery - One small stud per lobe is allowed. A watch is allowed. All other jewellery is not allowed. This includes necklaces, rings, bracelets, body and facial piercings. Failure to comply with a request to remove jewellery will result in sanctions. No tattoos of any kind are allowed under any circumstances.

Hairstyles, Makeup and Nails - We allow natural makeup and accept a wide range of hairstyles. All we ask is that a student's hair is smart, and of natural colour. Eyelashes should be of natural appearance, false eyelashes are not allowed. Headscarves may be worn for religious reasons. They must be black, fastened securely, and allow for lanyards to be on display. Nails must be of a short, safe length. The school does not allow false nails.

Energy drinks and chewing gum - These items are not allowed in school. The rule on chewing gum is now even more important, as this can be dangerous to Lizzie, our school wellbeing dog.

Humberside Police are currently recruiting Special Constables.

Special Constables are volunteer police officers who work alongside regular officers to help keep communities safe. They receive full training, wear the same uniform, and have the same powers as regular officers, making a real difference while gaining valuable skills and experience.

Humberside Police are encouraging applications from individuals of all backgrounds who are passionate about public service and community safety.

 Recruitment closes on 30 June 2025, so now is the perfect time to spread the word.

Lunch Card Top-Ups

Please ensure that your child's lunch card is topped up and does not have a negative balance.

If you do not wish to use Parentpay, we can accept cash at the main school reception.

We do understand that the cost-of-living increase is causing difficulties for some families and would urge you to apply for free school meals if this is the case.

If you are unable to pay off the debt on your child's lunch card, please contact the Finance Office as soon as possible to avoid further action and to discuss support options.

Safeguarding Savvy

This week, the KHS Safeguarding team would like to share the [following resource on violent online content](#).

With the rise of social media such as Instagram, Twitter/X, and more recently, TikTok, an increasing number of young people, sometimes as young as primary school children, say they've seen real-life violence on social media in the past year alone.

Kelvin Sports' Report

Congratulations to the **Year 10 Football team** for becoming **Humberside Champions** this week, marking their **second consecutive year with this impressive title!**

This is a **truly fantastic achievement**, especially as they triumphed over one of the top 8 teams in the country in the final. Well done on their outstanding success:

Fynn D, Max S, Lewis F, Wagdi M, Charlie W, Josh M, Freddie G, Sam W, Freddie A, Alex B, Reuben D, Fin L, Jack M, Oscar S, and Ronson W!

In addition to this fantastic achievement, we would also like to celebrate and bring attention to some other incredible successes that our students have had this half-term:

During the last week of the half-term, a group of Year 9 students went on their **Practice Duke of Edinburgh Bronze Award expedition**.

This involved a **6-hour expedition** where students had to navigate around **parts of the Great Yorkshire Way**. As part of the practice expedition, students also **practised using the portable cooking equipment**. They learned **how to start and extinguish fires safely**, as well as general health and safety around cooking, camping, and hill walking.

Those students will be taking part in the Qualifying, Overnight expedition later in June!
