9th March 2023

Dear Parents and Carers,

We are delighted that your child has been offered a place at Kelvin Hall School starting in September 2023. During the coming weeks and months, Mrs Sullivan, who will be Year 7 Pastoral Year Leader next year, will be contacting primary schools and arranging visits or online Google Meets to speak to the children who are joining us. She will also share additional information about Kelvin Hall School in preparation for September 2023.

Whilst moving from primary to secondary school is an exciting time for most children, we are aware that some may find this challenging. As a school, we focus on maintaining an ethos of Hard Work, Respect and Independence in everything that we do. This means that students will experience these elements in each and every lesson that they complete. Their first taste of this will be the upcoming Induction Evening and Transition Week in July this year.

Induction Evening (Wednesday, 5th July 2023)

All parents and Year 6 children will be invited to attend Kelvin Hall School on the evening of Wednesday, 5th July. We will contact you closer to the date with the final arrangements, including the times of the evening. During the evening, information will be given about Kelvin Hall, and you and your child will get the opportunity to meet their Focus Group teacher and other key members of staff at the school. As well as receiving important information regarding Transition Week, your child will also be able to try on and order school uniform, ready for their start in September 2023.

Transition Week (Monday, 10th to Friday, 14th July 2023)

All Year 6 children joining us will attend school for a full week starting on Monday, 10th July. Pupils should be at school on Monday, 10th July for 9:00 am, and 8:40 am on Tuesday to Friday. The school day will end each day at 2:40 pm to allow students to exit safely before the rest of the school is dismissed. Our Transition Week has always been effective in boosting the confidence of our new starters as they become familiar with the building, new staff, subjects, and the increased number of students. Again, you will receive further details closer to the time.

This year, we will be sending our Admission Consent Form via email on a Google Form. This will be sent to you in the week commencing 27th March 2023. To ensure you receive this promptly, please notify us of the email address you would like us to send this to by emailing exams@kelvinhall.net or by contacting Reception by telephone on 01482 342229 as soon as possible.

When you receive the Admission Consent Form, please complete this by Friday, 21st April 2023. This will help us to place your child in a Focus Group for Transition Week and the next academic year.

We look forward to meeting you and your child on the Induction Evening in July and working in partnership with you over the next 5 years, in order to make sure they can thrive at Kelvin Hall School.

Yours sincerely,

Mr Christopher Leng
Head of School
Kelvin Hall School
