Re: Saturday 9th April Workshop

Dear Parents / Carers,

I have previously informed you of the changes to the final assessment in both Art and Photography for this year's examination series. As there is no exam requirement, 100% of the subject will be marked on coursework this year. Last term, I put in place catch-up sessions that were targeted at students who missed work due to school closure as a result of COVID-19. For those students who attended these sessions, this was extremely successful and I have seen significant improvements in their achievements over the course of the last few months with those attending going up at least one full grade.

The end of the course is approaching and final grades will be submitted to the awarding body very soon. It is therefore imperative that the coursework is handed in on time and completed to the highest possible standard.

To support your child to achieve the highest grade possible, they have been invited to a workshop at school on Saturday 9th April at 09:30. This is simply to help improve their coursework and/or complete any unfinished work for their portfolio.

This is a really positive way forward for your child where they will receive individual support to catch up and produce high-quality work in a dedicated learning environment. Please discuss this with your child and stress the importance of them attending as this is a major opportunity to improve their grades.

I would like to take this opportunity to thank you for your support and if there is anything you are unsure about or would like more information on, please do not hesitate to contact me via email. The whole department is here to help your child to achieve their full potential in Art and Photography.

Yours Faithfully,

Ms. G Chadwick
Head of Art
Kelvin Hall School

Email: chadwickg@thrivetrust.uk

Workshop: Saturday 9th April 2022 – 9:30am start.
