## Parents and Carers and Staff Charter

Thrive Trust values respect, openness and care for all - staff, students, parents and carers. These align with Thrive Charter's core principles. By fostering collaboration and mutual respect through patience, honesty, humility and forgiveness, we build healthy relationships and ensure everyone feels valued.

*This charter outlines key responsibilities for a positive and productive school community...*

### Responsibilities

#### Parent/Carer

##### Respectful Environment

Open communication relies on mutual respect. Treat all staff with courtesy, avoiding offensive language and behaviour. State your concerns calmly.

##### Active Participation

Your involvement is crucial. Participate in school life, surveys and meetings. Working together creates the best environment for your child.

##### Positive Behaviour

We all play a role. Reinforce positive school expectations at home and discourage negativity and disruption.

##### Clear Communication

Open communication is key. In the first instance, promptly raise concerns directly with staff in a sensible way. We are here to listen and work together with you.

##### Following School Policies

Follow our policies linked to pupil absence and use our communication channels that aim to provide a better experience.

##### Positive School Image

We all want the best for Thrive pupils. Do not post negative comments on social media.

#### Staff

##### Welcoming Environment

We aim to create a community where everyone feels respected and valued. This includes open communication with parents and carers and ensuring that they feel comfortable raising concerns.

##### Respectful Communication

We understand the importance of clear and respectful communication. We listen attentively and we address parents and carers questions promptly and professionally. We explain our decisions clearly.

##### Valuing Feedback

A parent and carers voice matters - we actively encourage their participation, value feedback and will consider their input in decision-making wherever possible.

##### Positive Partnership

We are committed to working collaboratively to ensure each child flourishes at Thrive. We aim to build a strong and positive relationship with parents and carers so that each child thrives.

### Unacceptable Behaviour

We believe mutual respect can help resolve most concerns. However, in cases of unacceptable behaviour the school may take further action, including:

Restricting access to the school site

Limiting communication channels

Reporting any abuse to the social media provider

**Aggressive or abusive behaviour will not be tolerated.**

A positive and respectful school benefits everyone. By working together and upholding Thrive's values, we can achieve a successful learning community for all.

Well done Kelvin!

# Extracurricular Celebration

Congratulations to Elliot B, who has been selected to **represent England Ice Hockey in their international tournament in Bratislava**. Not only was Elliot chosen to play for the team, but he was also their captain.

This is a remarkable achievement, and we're so proud of all the hard work, effort, and commitment that Elliot will have put into achieving such a wonderful feat!

I'm thrilled to share an update on our **Year 9 students' incredible work with the Set for Success program**.

This past Wednesday, our students successfully delivered their community enrichment project, centred around the theme **"Let's Get Kelvin Active!"**

Our students designed and led a fantastic carousel of activities, engaging around 30 students at a time in various sports including football, tennis, tug-of-war, softball, and races. It was truly impressive to witness their excellent leadership qualities as they confidently guided their peers through each activity.

Throughout the year, the Set for Success program has focused on developing crucial skills such as problem-solving, communication, self-belief, self-management, and teamwork. All of these were clearly evident in their execution of the project. We are incredibly proud of their growth and the way they applied these skills in a real-world setting.

A huge well done to Millie D, Millie B, Finn G, Oscar B, Junior R, Harrison M, Alfie M, Jaydon C, and Oscar F for their hard work and dedication. A special commendation goes to Ahmed M, who truly challenged himself by demonstrating remarkable self-belief and addressing half of the year group to explain the purpose of the day.

It was a thoroughly enjoyable and successful event for everyone involved. We are so proud of what our students accomplished!

This week, we had the **James Reckitt Book Award ceremony** at East Park's Big Malarkey event on Wednesday, 25th June. It was a **great event** for the JRBA reading group, who met all the authors again and enjoyed a fun-filled day with illustrator **Liz Million**, MC actor **Sam Sedgeman**, and comedian-writer-author **Paul Cookson**.

The pupils received free books including a signed copy from Hull's very own Philippa Leathley which is her first book - **INKBOUND : Meticulous Jones and the Skull tattoo!**

Congratulations to the Business and Enterprise students who completed their pitch presentations to their class and a panel of Senior Leaders - the standard this year was extremely high from all - well done!

Our students recently **completed their Bronze Duke of Edinburgh's Award expedition in the Welton Wolds**, showcasing remarkable resilience, teamwork, and newly acquired skills.

Across two days, they **successfully navigated parts of the Wolds Way**, with participants confidently **interpreting maps** and taking the lead, and learning from initial navigation errors to **achieve exemplary progress and independence** on the second day.

All students demonstrated **proficient campcraft**, safely and effectively using camping stoves and **helping each other** to prepare meals. Beyond practical skills, their **exceptional teamwork** shone through as they consistently shared equipment and encouraged each other, maintaining a positive attitude even when fatigued.

This expedition was a **significant step in their personal growth**, highlighting their adaptability, determination, and strong collaborative spirit.

# Staying Safeguarding Savvy

This week, the KHS Safeguarding team would like to share the [following resource on making friends online](#). More and more young people have a growing online presence, and it is no longer uncommon for people of all ages to form digital friendships.

However, it is important to be aware of the various risks and caveats that are attached to the digital world.
