# School Notices

<p><b>Uniform &amp; Expectations</b></p> <p>We want to thank parents and carers for their support in preparing the students for the start of the academic year. The presentation and organisation of the students have been exemplary. This has helped remove any barriers and enabled the students to focus on their lessons. Thank you in advance for your continued support and if you need support with anything, please contact our Pastoral Teams.</p>	<p><b>Sparx Maths - New Homework Platform</b></p> <p>We are very pleased to announce the start of our new partnership with Sparx Maths, an online homework platform, that will enable pupils to complete challenging but achievable work at home and provide further support at home.</p> <p>For more information about Sparx Maths, how to access and how to use, please refer to our email sent Friday 22nd September, or to the letter posted on <a href="#">our website</a>.</p>
<p><b>Kelvin Experiences 2023/2024</b></p> <p>Our Kelvin Experiences are to encourage and motivate students to be the best they can be. At the end of every half-term, selected students who have been recognised through our rewards and praise are given the opportunity to select an activity.</p> <p>From recent discussions in Focus Groups, a list of activities has been drawn up for the year (this is not fixed and experiences may be changed or added). We have also thrown in some Special Mystery Surprises for our students.</p> <p><b>HT1:</b> Pumpkin Carving, Halloween Movie, and Indoor Sports Competitions <b>HT2:</b> Christmas Party, Christmas Bake-off, and Polar Express experience. <b>HT3:</b> Craft Afternoon, Gaming Session, and MYSTERY BOX <b>HT4:</b> Extreme Activity Afternoon, Crepe Van, and Petting Zoo <b>HT5:</b> Crazy-golf/Foot-Golf, Ice-cream Van, and Kelvin Bake-off <b>HT6:</b> Giant Inflatable, Party in the Park, and MYSTERY BOX</p>	<p><b>Road Safety at Leaving Time</b></p> <p>Children's safety is of the utmost importance, and must be the responsibility of all of our school community.</p> <p>We therefore request that parents and carers do not drop off or stop in the cycle lane, or on the double yellow lines in and around the school building. There have been a number of occasions when parent and carer vehicles have caused accidents and unsafe situations for students.</p> <p>Duty staff will approach vehicles that cause safety issues for students and other drivers. We ask for parents' and carers' cooperation in keeping students safe.</p>

# Extracurricular Celebration

WOW! What a week! A total of **386 students have attended extra-curricular clubs this week**. Miss Rimmer was particularly impressed by the 53 students who attended the trampoline club, and Mr Blaza was pleased to see 43 Year 9 students who braved the rain to attend football practice on Wednesday. Mr Griffiths had 5 times the number of students at Year 7 football practice on Monday and hopes to see more new faces there this week!

Our Year 10 Netball team travelled to St Mary's on Tuesday night playing 3 games and winning 2 of them. Standout players were Izzy D and Orla C! Mrs Dorsett was particularly impressed by the girls' effort, behaviour and ensuring that their umpiring was correct.
