School Notices

Year 11 - Arrangements for Monday 16th June:

All Year 11 students should attend their Physics exam in full school uniform, as always, but may bring an alternative shirt to sign if they do not wish to sign their normal uniform t-shirt.

Students who study Music, Spanish, Food, Design Technology, and Further Maths must have another school t-shirt that they can wear for their remaining exam(s). Students will not be permitted to enter their exam with their "signed" t-shirt as this breaches exam regulations; please ensure they have a spare before they use their school t-shirt for the signing event.

Arrangements for students who study Music, Spanish, Food, Design Technology and Further Maths:

- **Students who study Music will have an exam during the afternoon of Monday 16th June**, and students who study Spanish will be in Spanish prep sessions for the afternoon on this date (Spanish students will be in prep sessions from 12:05pm until 13:05 pm before leaving school for the day).
- **Students who study Spanish will have their exam on Tuesday, 17th June** (they must be in school by 8:45 am), and **students who study Food will have their exam on the afternoon of this date** (they must be in school by 11:05 am).
- **Students who study Design Technology will have their exam on Wednesday, 18th June** (they must be in school by 8:45 am) and **students who study Further Maths will have their exam on the afternoon of this date** (they must be in school by 12:45 pm).

Year 10 Geography Field Trips

A reminder that our Year 10 field trips are taking place between 18th and 20th June. These trips are critical as part of our GCSE Paper 3 'Geographical Applications' and form 50% of the total content/skill required for this exam paper.

The weather will be sunny, therefore please ensure students are dressed appropriately and are wearing sun cream.

End of Year Exams

Letters will be sent to all parents of Year 7, 8, 9 and 10 students shortly with the timetable and arrangements for End of Year Exams. Students were also given their exam timetables in Period 6 on Friday.

Please support them to continue their revision for these important assessments.

Gab & Grab! Kelvin Hall's Community Pantry
