10th November 2023

Dear parents and carers,

I am writing to inform you that Kelvin Hall School will be hosting our annual anti-bullying campaign, with the theme of "Make a Noise About Bullying" Campaign. This will take place from Monday, 13th November, through Friday, 17th November.

This campaign is focused on raising awareness about the issue of bullying in schools and the importance of speaking up against it. Our goal is to create a more inclusive and respectful environment for all students.

Throughout the week, your child will participate in various activities and discussions to understand the impact of bullying and the role they can play in preventing it. We encourage them to express their thoughts and feelings on this important subject.

To further support this, on Monday, 13th November, we will have an "Odd Socks Day," where students will be encouraged to wear odd socks to celebrate individuality and the importance of accepting differences. On Friday, 17th November, we will hold a "Wear Something Pink" Day where we will invite pupils to come to school wearing something pink, in addition to their uniform.

We kindly request your support in discussing the campaign's message with your child at home. Encouraging open communication about bullying is vital in our collective efforts to combat it.

Thank you for your support in making our school a safer and more caring place for all students.

Yours faithfully,

Mrs Grandidge
Deputy Headteacher & Designated Safeguarding Lead
Kelvin Hall School
