31 May 2022

Dear Parent/Guardian

APPRENTICESHIPS EVENING

We are holding an apprenticeships evening at school on Wednesday 15th June between 4:30 pm and 6.30 pm.

The evening will be attended by apprenticeship providers and employers from across our local region.

Year 11 students will have the opportunity to register with providers and apply for current advertised vacancies in a wide range of areas including: creative and digital design, printing, engineering, finance and accounting, admin and customer service, catering, hairdressing, teaching and learning support, IT support, manufacturing, construction, dental nursing, healthcare, motor vehicle and childcare apprenticeships.

For Year 10 students who feel that they may prefer to 'earn and learn' this evening offers the chance to find out more about the apprenticeship pathway and the opportunities available in our local area. They will also have the chance to ask current apprentices about their apprenticeship journey.

If you have any queries about the evening, please contact Erica or Vanessa at the start of term on 01482 342229.

Yours sincerely

E Hood
