Thursday 30th June 2022

Dear parents/carers,

Induction Evening Thursday 7th July 2022 at Kelvin Hall School

I am writing to invite you to our Kelvin Hall Year 6 Induction Evening on Thursday 7th July 2022. This will give you and your child the opportunity to meet key staff in the school, ask questions, and order a uniform for September 2022. There will also be a short presentation from the Head of School, Mr Leng, followed by the opportunity to meet your child's Focus Group teacher who will briefly outline some of our key expectations and policies before your child starts in September 2022.

As we have many families to welcome to the school, it is important that you follow the personalised schedule shown below. Please arrive 10 minutes before your first appointment time. We have enclosed a sticker for your child to wear with their name and timings for the evening, which will help us identify who your child is and direct you to the right location throughout the evening. Due to the restricted space in the performance hall, classrooms, and the high volume of students joining us this September, we can only accommodate a maximum of 2 additional guests per child this evening. This will allow all involved to have a much more positive experience on the evening.

In preparation for the Transition Week, you will also have the opportunity to buy vouchers on the Induction Evening if your child intends on having school dinners during this week. These will be £2.10 per day. Please be aware that we are unable to take card payments and as such we recommend that you bring cash with you on this evening.

Transition Week: Monday 11th to Friday 15th July 2022

The week is an exciting one for all students joining us and has many benefits including:

- Providing our new students with opportunities to become accustomed to a large school building.
- Helping our students to feel confident with moving around the building from lesson to lesson.
- The opportunity to meet new members of staff.
- Making new friends.

Transition Week also gives the staff at Kelvin Hall opportunities to assess individual needs and identify any areas your child may need assistance in, with a view to making the transition into secondary school as smooth as possible. Please note, all students are expected to wear their **uniform from primary school** and bring with them a pen, pencil, ruler, and rubber, stored in a suitable bag.

The timings for our new students during Transition Week are different from the rest of the school and are as follows:
