Contacting the School

If you have a query or a specific concern, you can contact the school in a number of ways.

- Call the Main Reception on **01482 342229**
- Contact your child's Pastoral Year Team using their email - year7pastoral@kelvinhall.net, year8pastoral@kelvinhall.net, year9pastoral@kelvinhall.net, year10pastoral@kelvinhall.net, year11pastoral@kelvinhall.net
- Email a query to info@kelvinhall.net

If you have contacted the school and have not been able to speak with the correct person or if you feel that the school has not dealt with your query or concerns properly, you can contact a member of the Senior Leadership Team by emailing info@kelvinhall.net. This email address is checked every day and any concerns will be passed to Mr Leng, the Headteacher, or to the most appropriate member of the Senior Leadership Team.

School Notices

Embedding Kelvin values

It is well communicated to the students that the values of Hard Work, Respect, and Independence are what we expect at school and what we want our students to take with them when they leave us. Each week, the students receive a very clear message that is linked to one of the values. Last week, the value was Respect and the main focus was showing respect to staff, other students, themselves, and the site we all share.

This week, the value is on Independence and the main focus will be on punctuality and organisation. We ask parents to support this by:

- Prompting students to be at school before 8:40.
- Reminding students to go straight to their lessons when they arrive and during lesson changes
- Come fully prepared for school with full uniform and all the required equipment.

Year 8 Progress Evening, Thursday 27th March 2025

The Year 8 Progress Evening will take place on Thursday, 27th March 16:00 to 19:00.

Appointments will become available to be booked via the Arbor Parent & Guardian Portal on Tuesday 18th March, at 08:45. All parents/guardians of Year 8 students will receive a letter with more information on the morning of Tuesday 18th March.

SAVE THE DATE
Preparation for adulthood event
 Wednesday 26th March 2025, 10AM - 6PM,
 at the ground floor of Princes Quay
 For SEND young people from year 9 and above. Meet colleges, training providers, voluntary groups, agencies supporting transition and many more.

Studybugs App - A New Way to Report an Absence

A number of parents are now using Studybugs to report student absences where a student is too unwell to come to school.

As always, all absences should be unavoidable, but when your child is too unwell to be in school, please use the link to Studybugs where you can register your child and report their absence quickly, and easily.

Gab & Grab! Kelvin Hall's Community Pantry

Gab and Grab is our community pantry partnered with FareShare to prevent food wastage. It is held 2 - 3 p.m. every Friday. Come and chat with the Attendance, Pastoral, and SEN teams, and grab a bag of shopping for the bargain price of £1! New-to-you school uniform and period products are also available free of charge. Alternatively, just pop along for a bag of shopping.

Items available this week included **carrots, potatoes, apples, savoy cabbage, spring onions, Pepsi Max, Coca-Cola Oreo flavour, brioche rolls, Uncle Ben's golden rice, spaghetti, passata, flame-grilled chicken fillets, veg lasagne, cottage cheese, mac'n'cheese, and McCain medium fries.**

Wellbeing Dog - Lizzie

Lizzie is on her usual timetable and will be in school on Tuesdays and Thursdays.

Safeguarding Savvy

Health Risks of Vaping

Information for Young People

We would like to raise awareness about the growing concern of vaping among young people. While often perceived as less harmful than traditional cigarettes, vaping poses significant health risks, especially for developing children.

Parents, carers and anyone working with children can make sure young people understand the health facts about vaping and know about vaping and the law.

Facts to tell young people about vaping:

- Vaping is a way for adults to stop smoking – not something for non-smokers, especially children and young people to try.
- Vaping is less harmful than smoking but that does not mean it is harmless.
- Vaping exposes users to some toxins, and we do not yet know what the risks might be in the longer term.
- Most vapes contain nicotine, which is an addictive substance that can be hard to stop using once you have started.
- Nicotine is riskier for young people than for adults, as evidence suggests the developing brain is more sensitive to its addictive effects.
- In the UK, it is against the law to sell nicotine vaping products to under-18s or for adults to buy them on their behalf.

Harmful Substances

Some disposable vapes on sale are illegal and do not meet UK safety regulations. They can contain high levels of harmful substances.

Some vapes available can contain other substances, such as illegal drugs. Taking illegal drugs is very risky and can cause severe reactions in people. When illegal drugs are mixed with vapes, this can make them even more unsafe.

How We Can Support Young People

At school, we will be reinforcing messages about the dangers of substance misuse through a special whole-school assembly. We will also be hosting a session with local police officers next Tuesday, 18th March, between 12:00 and 13:30, giving students the opportunity to ask questions and voice concerns they may have.

At home, we encourage parents and carers to continue to inform themselves about vaping and potential harms and to look for signs of vaping, such as unusual smells or changes in behaviour. We encourage you to have open and honest conversations with your children about the risks of vaping. Resources and further information can be found on the NHS website and the FRANK website.

<https://www.talktofrank.com/drug/vapes>

We are committed to the health and well-being of our students and appreciate your support in addressing this important issue. By working together, we can help safeguard and protect our young people.

Kelvin Sports' Report

The Kelvin Hall, Year 10 B team triumphed over St Mary's in a dramatic **3-2 victory**. Kelvin Hall's **precise passing moves** seemed to disrupt St. Mary's, setting the stage for a dominant first half. Ollie B and Fin L scored early on, giving Kelvin Hall a 2-0 halftime lead; the attacking skill was bolstered by a **strong midfield and a solid defence** led by Charlie W.

St Mary's rallied in the second half, creating a tense atmosphere. Ollie H added a third for Kelvin Hall, seemingly securing the win, but St Mary's fought back with two late goals. The Kelvin Hall defence, though breached, held firm, with Zak R, Charlie W, Lewis F, and Zac B repelling St Mary's final attacks.

The match showcased Kelvin Hall's **attacking prowess and defensive resilience**. Despite a late surge from St Mary's, Kelvin Hall secured a **hard-earned victory** and a **place in the final**.
