## Boxing Sessions

From Thursday 23rd February, we have started a female boxing session aimed at building confidence, coordination, social skills, and improving health.

This club is run by qualified England Boxing coaches for the St Pauls Boxing Academy. The sessions are free, held in the dance studio, start at 15:15, and last an hour.

This opportunity will only be open to students in years 7, 8 and 9. All students will need to bring is their PE kit, water, and the right attitude.

## Coronation Card Competition

Students in Year 7, 8 and 9 will be taking part in a 'Coronation card competition' during a Focus Group session next week. To mark the Coronation of His Majesty King Charles III, young people across Hull and East Yorkshire have been invited to design a greeting card which will be professionally printed and sent to The King on behalf of the residents of Hull and the East Riding, to congratulate His Majesty on his Coronation. Each student will design a card which they feel reflects the Coronation and our Country, the best designs from each year group will be entered and an overall regional winner selected. The competition marks a great opportunity to learn more about the role of the Monarchy, the King and the Royal Family and will mark the start of our celebrations prior to the Coronation itself in May.

## Tom Palmer - Meet the Author

Author, and three-time Hull Children's Book Award winner, Tom Palmer is visiting J. E. Books in Hull. His new children's novel RESIST published by Barrington Stoke is a historical story set in the Netherlands during the Second World War and inspired by the Resistance childhood of the Hollywood star, Audrey Hepburn.

When: Monday 6th March 16:00 - 17:00

Where: 12 Hepworth's Arcade, Hull, East Yorkshire HU1 1JU

## Elevate Parent & Carer Workshops

For the last two years, we have worked with Elevate Education to provide study skills workshops for students. We're excited to announce that next week Elevate Education will be hosting another free webinar for parents and carers.

Elevate Education works with our students, delivering high-impact workshops on study skills, motivation, wellbeing, and exam preparation. By tuning into their webinar series you will learn how you can help better support your children at home by reinforcing the skills they learn at school.

If you do not have your login details, if you have any issues with using the portal, or need help booking the appointment, please contact [arbor@kelvinhall.net](mailto:arbor@kelvinhall.net).

## Kelvin Experiences

During the final week of half term, over 200 students were celebrated as part of our third Kelvin Experience event.

Golden tickets were given out in recognition of points collected through the use of the conduct card within planners. These cards are signed when students complete homework and when students go above and beyond to show excellence in conduct around our school environment.

The three experience events were once again loved by those involved. Zorb football got very competitive, especially with our Year 7 and 8 students. The pizza and hot chocolate treat was very well received on a bitterly cold February afternoon, whilst the dissection event offered an excellent enrichment activity with our brilliant Science team too.

Looking ahead towards Easter, golden tickets will again be given out - this time in recognition of independence points collected in lessons in line with our school values.

**Lizzie's Corner** - Lizzie will be in school on the afternoon of Friday 24th February. She will be touring the school and continuing work with selected students.
