## Year 11 Mock Exams

Well done to Year 11 students who have completed the first week of their Mock exams.

These mock exams are important for identifying where students have made progress, where they need further support, and to give evidence for their Predicted grades.

These predicted grades will be used in their applications for their next steps after Kelvin. Making sure their mock results are an accurate reflection of their work is essential. They should be revising in school and out of school, as well as ensuring effective rest and nutrition are a priority for the next two weeks of these exams.

Year 11 pupils have made a FANTASTIC start and we have been very proud to see their focus, effort and maturity throughout the first exams. Well done Year 11, keep it up!

## Anti-Bullying Week - Monday 13th to Friday 17th November

From the 13th November to the 17th November it is the National Anti-Bullying week.

During this time Kelvin Hall School will be promoting, supporting, educating and making all students aware of all things regarding bullying.

This starts off with all students being invited to take part in "Odd-Sock" day on Monday the 13th of November. During the week, students will partake in assemblies, and lessons, receive information on support available, and various other Anti-Bullying awareness activities. We will also be recruiting and launching our team of Anti-Bullying Ambassadors.

If any parents or guardians would like any further information or training on this important topic, please click the link below.

## Year 10 Progress Evening

We are holding a face-to-face Progress Evening on Thursday 23rd November from 16:00 until 19:00. Use the Arbor app to book five-minute appointments with each teacher to discuss their start to Year 10 and progress made against their targets. For more information on how to book, please refer to our email sent on Friday, 10th November.

## Road Safety and Darker Nights

As we enter the Winter term and a period of darker nights, please support us in ensuring our students are careful on their journey to and from school. If walking to school, please remind students to walk sensibly on the paths and cross roads safely. If students are travelling by bicycle, we recommend that the bike is made safe with lights and that the students wear helmets.

## Cold weather coats

As the weather is now getting colder, please ensure you encourage your child to leave home with a warm winter coat on. Pupils can put their coats in their lockers during the school day. All students should have a locker key, these are available for purchase for £ 3 on the [ParentPay Shop](#) and in school on Student Services. Pupils are not permitted to wear their coats in the school building.

## Futsal Club (Thursdays after school)

There will be no Futsal club after school until the end of the Year 11 mock exams, on Thursday 24th November. Futsal will resume then. This is due to the Futsal facilities being in use during that time.
