Dear Parents and Carers,

Re: Year 11 Launch Event (Wednesday, 10th September)

As you know, this week was your child's first week as a Year 11 student. This is an important year for them and we are looking forward to continuing to challenge and support them to see what they can achieve, to best prepare them for next year and the years to come.

Being a Year 11 student can be overwhelming, daunting, and worrying for students, but it is also an exciting stage for their next steps in education and work. There are a number of key dates and deadlines that are coming up this year for Year 11 students. There are also a number of ways we can and are going to support them in being successful this year.

In order to make sure students and their families are aware of everything they need this year, and how we can support them to achieve and exceed their targets, we are hosting our Year 11 Launch Event on Wednesday, 10th September. This event will be key in sharing key dates and timelines with you, as well as being an opportunity to collect all of your child's revision resources for each of the subjects studied, which have been purchased for every student and are available to you for free.

At the event, there will be presentations in the Performance Hall as well as a variety of key staff in the Agora, where you will be able to speak to subject leaders and collect revision materials. The presentation in the Performance Hall will be at 4pm, 4:30pm, 5pm and 5:30pm; you can attend at whichever time is most convenient for you.

During the presentation, you will hear from Mr Shaw, Mrs Piercy, and Mr Garrod about the upcoming year. After the presentation, you will see key staff and collect revision resources for all of your child's qualifications in the Agora.

If you have any questions, or are unable to attend the event, please get in touch by calling on 01482 342229 or by email to piercylauren@thrivetrust.uk.

Yours sincerely,

Mrs Piercy
Deputy Headteacher
Kelvin Hall School
