Our First Extra Mile Blog

Our staff have been visiting lessons and looking for students who are going the extra mile! These students receive one of our extra mile postcards and some positive points which count towards a ticket to our Kelvin Experiences. You can see some highlights on our new Extra Mile Blog. This will be updated regularly to show some of the great work of our students.

Year 7 GL Assessment Testing

As part of their start to school, Year 7 students will be completing a number of online tests over a two-week period. This week, students will complete:

Cognitive Abilities Test (CAT4)

7N - Tuesday 4th October Periods 1-3

7D - Friday 7th October Periods 1-3

Reading, Spelling and Wellbeing Test

7D - Tuesday 4th October Periods 4-5

7N - Friday 7th October Periods 4-5

Students have already been provided with their timetables.

Students do not need to prepare for these tests, but they are expected to give each test their best effort and embody our school values of hard work, respect, and independence.

Labelling School Uniforms

In just the first few weeks, we have already collected a number of items of lost property and uniform items we have been unable to return to their owners.

Please remember to label your child's school uniform using a suitable label or permanent marker.

Adding their full name to the label makes it easy for us to return those missing items to the correct student.
