

11th October 2021

Dear Parents and Carers,

We know how important it is for you to be able to send your child to school. At Kelvin Hall School, we are taking a number of measures to help prevent the spread of Coronavirus, including:

- Encouraging all staff to test regularly, to minimise the risk of transmission in school;
- Ensuring our staff and children practice good hygiene;
- Making sure our spaces are well ventilated; and;
- Encouraging all members of our community to isolate and book a [PCR test](#) should they develop symptoms of the virus.

We are also asking all parents to encourage their children to test regularly and to report each positive result. Up to one in three people who have COVID-19 can spread the virus without knowing. This is because they have no symptoms. We are therefore asking all parents to encourage their children to test on Monday and Thursday mornings and help us to keep Kelvin Hall School open.

Every student with consent for home testing will be offered a pack of home test kits during one of their lessons. This process will be repeated every three weeks. Please ask your child if they have received these and help them to take the test and report their results.

The tests will come with guidance in multiple languages on how to take the test. You can also see this useful video to show you [how to take the test](#) - tests usually take a few minutes to do and you get the results in 30 minutes. In the event of a positive case, you need to do is to report the result to:

- NHS Test and Trace: <https://www.gov.uk/report-covid19-result>
- To Kelvin Hall School's attendance team on 01482 496730.

Financial support is available if your child tests positive and you need to self-isolate. If you are unable to work due to your child having, or displaying symptoms of, COVID-19, you may be entitled to a one-off payment of £500 through the [NHS Test and Trace Support Payment scheme](#) if you are required to stay at home and self-isolate.

You will be eligible if you live in England and meet all the following criteria:

- you have been asked to self-isolate by NHS Test and Trace, including by the NHS COVID-19 app
- you are employed or self-employed
- you cannot work from home and will lose income as a result
- you are claiming at least one of the following benefits:
 1. Universal Credit
 2. Working Tax Credits
 3. income-related Employment and Support Allowance
 4. income-based Jobseeker's Allowance
 5. Income Support
 6. Pension Credit or Housing Benefit

By testing your child on Mondays and Thursdays you will help us to reduce transmission of Coronavirus, keep all students in school and to minimise disruption to their education and to you and your household.

Yours sincerely,

Mr Christopher Leng
Head of School
Kelvin Hall School
