19th June 2020

Dear Year 11 students,

Today would have very much marked the final chapter in your school life at Kelvin Hall School with your Year 11 Prom being held this evening. Due to circumstances that are very much out of all our control, I would like to be clear that we feel it is indeed unfair that you have missed so much in the last few months including:

- Your exams
- Final leaving day
- Prom

Only **you** will know how that feels as an individual. There is nothing we can say as a school to make up for the time you have lost. For now, we cannot rearrange the prom until we are definite it can take place. However, we would like to reassure you today, that when there is a clear picture of what the government decides to do regarding social distancing we will attempt to facilitate an event in the autumn term.

One thing you can be assured of is that we are planning for results day as normal on the 20th August 2020. We will endeavour to try to ensure this is a celebration of your hard work over the last five years.

Please do not feel you have been forgotten in any way. Teachers have worked hard in recent months to ensure your Year 11 centre assessed grades are a true reflection of the hard work you have put into your school life. Additionally, we constantly monitor and work with the careers team at Kelvin Hall School to ensure you have the support needed as you move onto your post-16 opportunities. Erica Hood will continue to work with you throughout the summer term, autumn term, and beyond if needed.

As soon as we have a clearer picture moving forward, we will be in touch with all parents and students. Under the circumstances, I would ask you to stay resilient in preparation for all your future opportunities.

My very best wishes on behalf of all the staff at Kelvin Hall School.

Yours sincerely

Mr P Cavanagh
