For the last two years, we have worked with Elevate Education to provide study skills workshops for students. We're excited to announce that next week Elevate Education will be hosting its first free webinar of the year for parents and carers.

Elevate Education works with our students, delivering high-impact workshops on study skills, motivation, wellbeing, and exam preparation. By tuning into their webinar series you will learn how you can help better support your children at home by reinforcing the skills they learn at school.

Unity in Community - Food Bank Donations

Unity in Community, a local food bank, is asking for a range of donations of non-perishable items. As we move into winter and take into consideration the rise in the cost of living, it is predicted that more families will be requiring access to a food bank service. Kelvin Hall will be holding a food drive to support this charity.

If you are able to make any donations, big or small, they will be incredibly well received by Unity in Community. The list of urgently needed items is listed below. All donations can be brought to our school reception before Friday 21st October.

- Jars of jam, peanut butter and sauces
- Tins of soup, fruit or vegetables
- Tinned meat and fish
- Baked beans and pulses
- Bags of rice and pasta
- Cereals
- Condiments and spices
- Stock and gravy
- Long-life juices and milk
- Teas and coffee
