Dear Parents and Carers,

Re: Kelvin Hall School's Winter Sponsored Read

For this winter season, the students and staff will be taking part in the first-ever **Kelvin Hall Winter Sponsored Read** with the intention of raising as much money for a local charity as possible.

We want to use the power of reading and the caring nature of all of our students to provide those in the most need with the necessities to improve their holiday season, as much as possible. Community is a huge part of our ethos at Kelvin Hall School, and 'Promoting Community' appears on the side of our building, so what better way to give back?

We encourage all of our students to take part in this fantastic gesture, regardless of reading engagement or reading ability. Not only do we want to raise money for fantastic causes, but we also want to promote the importance and love of reading to all. We are asking our students, and staff, to pledge to complete any reading across the week, from simply picking up a book and reading for five minutes each day, right up to challenging themselves to read a whole book in a week - any reading is an achievement for this week!

The Sponsored Read will begin on Monday, 1st December and finish on Sunday, 7th December.

Money raised can be paid via ParentPay, and we will set up a payment page on there for ease, nearer the date of the Sponsored Read event. This will need to be paid **by Monday, 15th December**, leaving us enough time to gift this generous donation to the students' chosen charity.

On Thursday, 13th November, students will be casting their votes to decide which of the four charities listed below will receive our donation:

- Unity in Community
- Hull Foodbank
- Emmaus Hull
- Hull Women's Aid

Thank you for your continued support, and thank you for taking the time to read this letter. If you have any questions, or queries, or want to take part in the Sponsored Read yourself, please don't hesitate to contact me, or ask your child to grab an extra sponsorship form.

Let's give back to our wonderful community and improve the lives of those around us.

Mr Ellis
Progress Leader for English
Kelvin Hall School
