Dear Parents/Carers at Kelvin Hall School

In light of upcoming changes to the requirements for relationships and sex education (RSE), we've been consulting with parents, pupils and staff on how we can make sure that our updated PSHE curriculum continually meets the new requirements as well as the needs of our pupils.

We have worked hard to make sure that our new curriculum reflects:

- Our pupils' age and maturity levels, as well as their cultural and religious backgrounds
- The values of our school community
- Every pupil's learning needs
- What pupils need to know to be healthy and safe in school, in their personal relationships and in the wider world

We've now updated our RSE/PSHE policy again to include our proposed new curriculum. We have made our updated policy available on our website, you can access this using the link below.

We would welcome any feedback on the curriculum delivery and the wider policy. You can submit any questions you may have about the proposed RSE/PSHE 2021/22 curriculum through our online survey using the link below.

The initial deadline for responding to the consultation is Monday 21st June 2021.

In September 2021 we will also communicate a specific email account where any parent/carer can give feedback and comments to the school regarding the delivery of RSE/PSHE throughout the year, including in lessons and themed assemblies. This will be monitored by our PSHE lead coordinator.

Yours sincerely,

Mr C Leng
Head of School
