Dear Parent/Guardian

The school has recently subscribed to an online platform called The Medical Mavericks Academy. In the Academy you can watch interviews with a huge range of medical professionals to find out what their roles really involve and see the realities of working in a hospital. In addition to this, there are lots of activities for you to try.

To watch the videos and access The Medical Mavericks Academy you need to create an account. Here are the instructions on how to do this.

1. For Kelvin Hall pupils - click this link to go to the registration page:

<https://bit.ly/yhc-student>

2. Create your own account, pupils must use their Kelvin Hall School email address.

Parents/Guardians of Kelvin Hall pupils the link is:

<https://bit.ly/yhc-parents>

3. When you have created your account you will automatically be taken to a page where **you must click the enrol button!**

You can then watch a short video on how to use The Academy and access all of your courses through your Dashboard.

You can access The Academy at home or at school any time over the next year. New content is being added each half term too, so there are plenty of reasons to come back!

In the future when you want to sign in just head here:
